

New Team Vicar at St Michael & All Angels, Bexhill

The Reverend Simon Earl was welcomed as the new team vicar at St Michael & All Angels. The licencing ceremony took place on Tuesday 27th August and was officiated by The Right Reverend Richard Jackson, Bishop of Lewes and The Venerable Edward Dowler, Archdeacon of Hastings.

It was a wonderful service attended by numerous members of the clergy from parishes in Bexhill and surrounding areas, members of the Foodbank, congregations from many churches and were joined by the Councillor Kathy Harmer Mayor of Bexhill.

The St Michael congregation welcomes Rev. Simon and hope he will enjoy this new chapter in the life of our church. We look forward to him leading us in our worship, life and faith and providing a positive effect on the local community.
